

# Weekly - RESORT REPORT

## Three Cheers for these Guys!

Each community is made better by those who live there and are willing to go above and beyond their own needs to provide for the comfort and needs of those with whom they reside. It is no different at the Glades Resort Community. We are so blessed to have folks like this residing in our resort. This week we are spotlighting the following for their much appreciated efforts:

**Red & Della Purcell** - Red and Della have spent numerous hours doing much needed cleaning and advising in our GRILL. Look for good things coming from THE GRILL in the near future. Thanks Red & Della!

**Peg & Keith Bowman** - Thanks goes out to Keith and Peg who give so much to our resort. They were able to assist one of our residents in a medical emergency this week. Thanks Keith & Peg!

**Mary Daniels** - Thanks to Mary for spending numerous hours scrubbing, scrubbing, scrubbing the Club House kitchen. It is beginning to SPARKLE!...just like Mary!

**Patty MacGowan & Joyce Amick** - who spent nearly an entire day organizing and straightening our library books. New book shelves and a reading area are being built this week to accommodate a "quiet meditation area in the Club House".

**Mike, Patrick, and Jack** - who are volunteers from First Christian Church in Clewiston. They came today, (Wednesday) to help with some cleaning and renovation of the Clubhouse. Thanks Guys!

## PROJECT OF THE WEEK

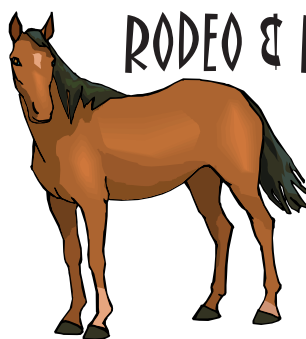

It is past time to begin getting everything ready for the season. Since the new management team has just arrived we need help to get everything ready. Many wonderful volunteers have already come to the rescue. The project this week is the Clubhouse. We are rearranging, cleaning, painting, and doing some minor restoration and renovating. If you would like to help a few hours please let us know in the office. It is already starting to look great!

## CHURCH SERVICES . . .

Traditionally the worship service held at the Clubhouse begins in January. If you would like services to begin before January please come to the office and sign-up. If there is enough interest it may begin earlier. During season, for the first time, we will have a Park Chaplain. He will be conducting the services and supplying other spiritual needs anyone may have. More information on this will be forthcoming.

## Friendly Reminders

Each resident should have received a list of policies upon checking in. If you did not receive this list please come to the office to receive one. Just a friendly reminder on a couple of things:

### 1. Attention All Resident Golfers!

Beginning December 1st, 2009, it will be necessary for all residents playing golf to present their Glades Resort Resident Golfer's Card along with a government-issued photo ID such as a driver's license to receive the discounted resident golf rate. This will enable all new Grill employees to recognize and properly discount each resident.

Resident Golf Cards are available at the Resort Office. Thank you for your cooperation.

### 2. Emergency Contact Numbers

We are asking all park residents to come by the office and complete a form which lists emergency contact numbers for each resident. The need for this was recently brought to our attention when a medical emergency occurred in the resort. This will enable us to properly notify your loved ones should the need arise. Thank you!

### 3. Ever Pure Water

There is an Ever-Pure Water vending machine located in the Exercise Building. This clear, fresh, delicious water is available for 25 cents. Bring your own receptacle.

**Let's dance . . .** or anything else you would like to do, (that's legal). An activities calendar is currently underway and we need your ideas. We could also use more volunteers who would like to lead classes,

games, tournaments, field trips, or anything else you can think of. Come to the office with your ideas and see Ms. Dora. SHE LOVES TO PAR-R-R-TY!!!!
